

Otso Aksela

I approach problems with an analytical and solution-oriented mindset and I am independent as well as persistent in face of challenges. I have a strong ability and desire to learn as well as to apply what I have learned in new situations.

SKILLS

AWS • C • CSS • Customer service • Customer Interaction • Data Structures • Front-End Development • HTML • JavaScript basics • Microsoft Exchange Admin Center • Microsoft Office • PHP • Problem solving • Python • Scala • SCSS • Web Design • Web Development • WordPress

Amazon Web Services Cloud Practitioner, Valid 9/2022 - 9/2025, Credential ID: ZH81K8F2YEF1QDSE

EXPERIENCE

Self employed Web developer, Bearint Oy

6/2021 - Present

My web development company [Bearint Oy](#) designs, creates and hosts websites as well as offers IT support. I am self taught and run the company alongside my studies. FiSTT's chair Pertti Leppänen can act as a reference for the quality of work, incl. website creation, graphic design and IT support.

Station employee, Jorvas Sorting Station (HSY)

5/2021 - 6/2021, 6/2022 - 8/2022

Duties included customer service, billing and otherwise maintaining a sorting station. I worked at the station for two consecutive summers.

Sole trade entrepreneur, Akso

1/2018 - 1/2020

Founded with my brother and 4h, we did gardening and held a club at Kauniala's old people's home.

Summer employee / Gardener's assistant, Gardening store Reiman

6/2017 - 6/2017

Received the offer to continue in a summer job after on-the-job learning.

EDUCATION

Aalto yliopisto - Graduate Engineer Student, Information Technology

9/2022 - Present (2027)

Minors in computer science and industrial engineering and management. 4.07 GPA.

Etelä-Tapiolan Lukio - IB diploma

8/2018 - 6/2021

PROJECTS

[ThreadBank \(C\)](#) - run a rudimentary bank using threads and socket based IPC
